SUMMER INTERNSHIP PROGRAM 2024

HONG KONG
LIFE SCIENCES SOCIETY
香港生命科技青年會

HKLSS Summer Internship Program offers a unique opportunity for undergraduate and postgraduate students to explore cutting-edge technology, healthcare investment and the future of biotechnology each summer.

Selected interns will be assigned to our partner companies in Hong Kong, Shenzhen and Shanghai, covering biotech start-ups, venture capitals, science organizations, healthcare and pharmaceutical companies.

ONLINE INFORMATION SEMINARS

English Sessions

21 Dec 2023
11 Jan 2024

Chinese Sessions

19 Dec 2023
9 Jan 2024

INTERNS will

- Acquire practical skills that are applicable in the workplace
- Work with experienced researchers and biotech entrepreneurs
- Expose to one of the following sectors: R&D, business/product development, biotech or healthcare investment, marketing, science communication, and project management
- Participate in the core program, including workshops, lab visits, conversations with C-suite executives, and networking activities
- Be given priority in enrolling in our Mentorship Scheme

ELIGIBILITY

- Senior-year undergraduate and postgraduate students, aged 18 or above, with an academic qualification in life sciences, biomedical sciences, medicine or a related discipline
- Priority will be given to MRes, MPhil or PhD students when considering interns for R&D positions
- Recent graduates and applicants with a non-life sciences background will be considered on a case-by-case basis

INTERNSHIP PERIOD
