

Post-doctoral Fellow in Bioinformatics at the University of Hong Kong

Founded in 1911, The University of Hong Kong is committed to the highest international standards of excellence in teaching and research, and has been at the international forefront of academic scholarship for many years. Ranked 21st among the top 200 universities in the world by the UK's Times Higher Education, the University has a comprehensive range of study programmes and research disciplines spread across 10 faculties and about 100 sub-divisions of studies and learning. There are over 23,400 undergraduate and postgraduate students coming from 50 countries, and more than 1,200 members of academic and academic-related staff, many of whom are internationally renowned.

Post-doctoral Fellow in Bioinformatics in the Department of Biochemistry
(Ref.: 201100787)

Applications are invited for appointment as Post-doctoral Fellow in Bioinformatics in the Department of Biochemistry, for a period of 2-3 years from as soon as possible.

The post is in the field of bioinformatics and computational genomics. Applicants should possess either a doctoral degree in Bioscience, with experience in genetic/epigenetic regulatory network construction, stem cell or cancer genomics and some programming skills, or a doctoral degree in Quantitative Science, with strong programming skills in c/c++ or java, in-depth knowledge of machine learning, molecular evolution or next-generation sequencing. The appointee should be highly motivated and have a passion to make an impact on research. He/She will work under the supervision of Dr. J.J. Wang (<http://www.biochem.hku.hk/research/jjwang/>).

A highly competitive salary commensurate with qualifications and experience will be offered. Annual leave and medical/dental benefits will be provided.

Applicants are requested to apply on-line at <https://jobs.hku.hk>, with Ref no.201100787. Candidates who are not contacted within 3 months of the closing date may consider their applications unsuccessful.

The University is an equal opportunity employer and is committed to a No-Smoking Policy.
